the great outdoors

authentic, original & uniquely creative

Dear Friends old and new,

Big Sky's design inspiration has its heart and soul in the great outdoors.

Our Montana days of the week have names like; Cold Smoke, Northern Lights, Bison (our hump day) and Bluebird. Every region of this great country has a day inspired by Nature. We hope to reflect this passion by capturing the spirit of the great outdoors found outside and inside. Join us in enjoying the outdoor spirit wherever you happen to be.

Our product story is always moving upwards; it can be traditional or whimsical, but always true to our inspiration, we are:

Authentic - distinctive and unique points of view that showcase the quality and hand of the artist.

Personal - The consumer will feel like the item was made just for her or him.

Pretty Nature

- **Elizabeth St Hilaire** (page 316) This artist is known for Nature-inspired designs and color palettes. New dish formats and mugs and wall art are sure to be new favorites.
- **Dean Crouser** (page 322) One of our most popular artists' collections is expanded to include new artwork on best-selling formats and new formats featuring his vibrant, painterly imagery.

Men's Gifts (page 357)

Sometimes novel, other times serious, our assortment of men's gifts gets even better with new additions that will appeal in form and function to anyone.

- **Executive Games** (page 367) A solid-wood tic-tac-toe set, or a variety of other games, are the perfect distraction while pondering the big decisions.

- **Multi-Tools** (page 366) New cleverly designed spork, pen, flash light and money clip are practical tools to keep at hand for everyday tasks.

Gallery Entertaining (page 390)

Fine craftsmanship meets the outdoor spirit, with new pieces such as a hand-cast aluminum, feather-design wine holder, aluminum and glass antler centerpiece bowl and bolo-style napkin ring sets in a variety of themes.

Furniture Gallery & Big Sky Gallery (page 405)

The outdoor spirit is alive inside with expanded home décor offerings, like our limited-edition, handcrafted line of duck decoys and artful furniture with finely crafted details.

DEMDACO®

lift the spirit

Mission

At DEMDACO, we strive to lift the spirit in consumers, in each other, and in our communities

About Us

Founded in 1997 by Demi and Dave Kiersznowski, DEMDACO offers a hand-selected collection of tailor-made products that celebrate how people live in their homes, engage with family and friends, and treat themselves. The unique assortment includes inspirational and giftable products for home & entertaining, baby, holiday, and fashion.

DEMDACO products are as diverse as the people buying them, but we strive for them to have one important thing in common: to lift the human spirit. Our hope is to offer DEMDACO products that reflect a person's desire to nurture goodness in their own lives and in the lives of others.

BLOOD:WATER

Community Involvement & Charitable Giving

At DEMDACO, our purpose is very simple: to pursue business the way it ought to be. We realize that this compass setting requires constant evaluation and calibration and we realize that we fall short of our goal every day. But we're committed to the notion that business does not have to be solely a financial endeavor. It is first, and foremost, a human endeavor. Community involvement is one way we seek to lift the spirit of our customers, colleagues and our communities.

Each employee gets two paid days off to volunteer at the organization of their choice - whether their child's school, local organization or helping a friend in need. DEMDACO also offers opportunities to volunteer as a group with organizations such as Heart to Heart International building hygiene kits for communities, or volunteering at Children's Mercy Hospital.

To learn more about our community involvement and organizations that we work with, go to www.DEMDACO.com.

Blood:Water is one of the Partners we support. They are an equipping agency that partners with African grassroots organizations to address the water and HIV/AIDS crises. To learn more visit: bloodwater.org

Shipping Information

Shipping typically occurs within 72 hours of order placement, however, please allow up to 2 weeks for delivery. Unfortunately, we do not ship internationally at this time. Delivery is limited to the 50 United States and we cannot ship to APO or FPO addresses at this time. When shipping to Alaska or Hawaii, additional shipping charges will apply. Shipping cost is based off order dollar total for standard products. A \$300 order shipping to Montana, for example, will be billed at 11.5% of the order total for Regular Rate customers (\$34.50 freight cost), 10% for Platinum Level I customers (\$30 freight cost), 9% Platinum Level II customers (\$27 freight cost), and 8% for Platinum Level III customers (\$24 freight cost). Shipping cost is calculated after order is complete and will appear on your delivery invoice.

Please note, freight on Margin Builders or other discounted items are billed at the non-discounted list price. Items such as free displays incur a freight charge based on the list price of the display. Similarly, freight is charged based on the pre-discounted price for customers who are receiving a discount on their order.

DEMDACO Freight Rates

*DEMDACO reserves the right to update or modify these terms, conditions, and shipping rates at any time without prior notice.

Freight Truck

Certain instances may occur where shipment (due to item weight or dimensions) would require delivery services via Freight Truck. The Ground shipping rate schedule above will have an additional handling fee of \$100 that will be applied to your order in these circumstances (example: order total = \$400 + \$32.95 Ground Shipping + \$100 Freight handling fee = \$532.95). All freight truck products in this catalog have a special shipping charges icon (shown above) that appears with the product information in this catalog.
