# DEMDACO®

*lift the spirit*

## Mission

At DEMDACO, we strive to lift the spirit in consumers, in each other, and in our communities

## About Us

Founded in 1997 by Demi and Dave Kiersznowski, DEMDACO offers a hand-selected collection of tailor-made products that celebrate how people live in their homes, engage with family and friends, and treat themselves. The unique assortment includes inspirational and giftable products for home & entertaining, baby, holiday, and fashion.

DEMDACO products are as diverse as the people buying them, but we strive for them to have one important thing in common: to lift the human spirit. Our hope is to offer DEMDACO products that reflect a person's desire to nurture goodness in their own lives and in the lives of others.

## BLOOD:WATER

### Community Involvement & Charitable Giving

At DEMDACO, our purpose is very simple: to pursue business the way it ought to be. We realize that this compass setting requires constant evaluation and calibration and we realize that we fall short of our goal every day. But we're committed to the notion that business does not have to be solely a financial endeavor. It is first, and foremost, a human endeavor. Community involvement is one way we seek to lift the spirit of our customers, colleagues and our communities.

Each employee gets two paid days off to volunteer at the organization of their choice - whether their child's school, local organization or helping a friend in need. DEMDACO also offers opportunities to volunteer as a group with organizations such as Heart to Heart International building hygiene kits for communities, or volunteering at Children's Mercy Hospital.

To learn more about our community involvement and organizations that we work with, go to [www.DEMDACO.com](http://www.DEMDACO.com).

Blood:Water is one of the Partners we support. They are an equipping agency that partners with African grassroots organizations to address the water and HIV/AIDS crises. To learn more visit: [bloodwater.org](http://bloodwater.org)

# General Information

## Product & Pricing Information

Products displayed in this catalog are available in select DEMDACO stores and galleries. In some cases, merchandise displayed for sale in this catalog may no longer be available. We make all reasonable efforts to provide information in this catalog that is accurate and complete; however, there may be information about products, their availability, or their prices that may be inaccurate or incomplete. We reserve the right to correct any such information without prior notice (including after you have submitted your order). The prices displayed in this catalog are quoted in U.S. Dollars and are valid and effective only in the United States.

## Product Availability

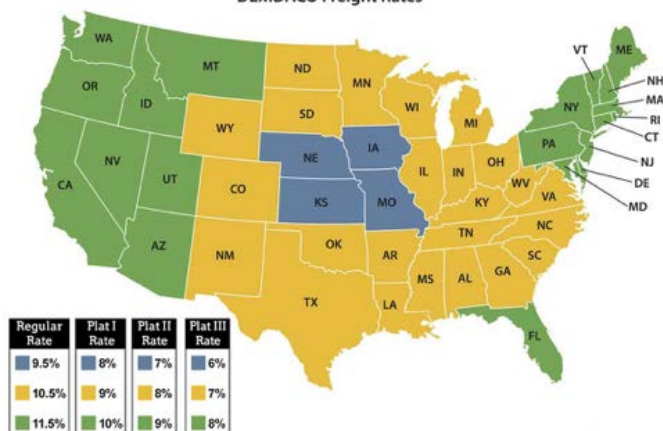

Merchandise availability in our catalog is not guaranteed as it may be low in stock. If merchandise is not available by the time your order processes, we will notify you of this via e-mail. You can always verify availability by calling Customer Service at 888.336.3226. You can sign up to receive a shipping confirmation e-mail once your items have shipped.

## Shipping Information

Shipping typically occurs within 72 hours of order placement, however, please allow up to 2 weeks for delivery. Unfortunately, we do not ship internationally at this time. Delivery is limited to the 50 United States and we cannot ship to APO or FPO addresses at this time. When shipping to Alaska or Hawaii, additional shipping charges will apply. Shipping cost is based off order dollar total for standard products. A \$300 order shipping to Montana, for example, will be billed at 11.5% of the order total for Regular Rate customers (\$34.50 freight cost), 10% for Platinum Level I customers (\$30 freight cost), 9% Platinum Level II customers (\$27 freight cost), and 8% for Platinum Level III customers (\$24 freight cost). Shipping cost is calculated after order is complete and will appear on your delivery invoice.

Please note, freight on Margin Builders or other discounted items are billed at the non-discounted list price. Items such as free displays incur a freight charge based on the list price of the display. Similarly, freight is charged based on the pre-discounted price for customers who are receiving a discount on their order.

DEMDACO Freight Rates

\*DEMDACO reserves the right to update or modify these terms, conditions, and shipping rates at any time without prior notice.

## Freight Truck

Certain instances may occur where shipment (due to item weight or dimensions) would require delivery services via Freight Truck. The Ground shipping rate schedule above will have an additional handling fee of \$100 that will be applied to your order in these circumstances (example: order total = \$400 + \$32.95 Ground Shipping + \$100 Freight handling fee = \$532.95). All freight truck products in this catalog have a special shipping charges icon (shown above) that appears with the product information in this catalog.
