The Sharon Nowlan Collection

- * A normal day at the beach provided the backdrop for Sharon Nowlan's art. What began with a handful of pebbles, evolved into simple interpretive depictions of family and friendships.
- * DEMDACO is delighted to partner with Artist, Sharon Nowlan, to create these fine artisan reproductions. Each piece is meticulously and ethically handmade by skilled artisans. Sharon Nowlan's collection captures life's small moments of family and friendship.

About Sharon Nowlan

Sharon Nowlan grew up drawing, painting, and creating in a broad range of media inspired by the natural beauty of Nova Scotia. But it wasn't until she became a mother that the expansive seascape and landscape were brought into tighter focus.

It started with a trip to the beach with her three-year-old son. After gathering a pocket full of small, sea-washed pebbles, she artfully arranged them to create a small tableau depicting a grandmother and child. The notion that a clutch of small, cold stones could convey such warm emotions struck a chord within Sharon.

Over the years, Sharon's designs have evolved to include other natural objects including shells, twigs, driftwood and bits of sea glass... but it all began with a handful of pebbles.

Features:

- Framed art for wall or table

1004200009 Gratitude Manifesto Wall Decor

Hanger style: keyhole.

Gratitude creates optimism and positivity. You feel better about life when you are thankful. Thank You (merci, tack, gracias, danke, arigoto, grazie, dojo)... is a beautiful word to be used often and sincerely. There is always something to be grateful for. When you see good, you do good and become a better person. Gratitude creates more joy for living. The more heartfelt gratitude you feel, the more open you are to attract even more goodness into life. Genuine thankfulness connects us to nature and one another. Gratitude is a wonderful gift to be shared. It needs to be cultivated in this world. A simple expression of "thanks" to one another is a beautiful act of kindness, caring and love. The word "gratitude" is derived from the Latin word "gratia" which means "grace," "graciousness," or "gratefulness." It is graceful to be grateful. Expressing "thanks" is a simple way to feel good! Gratitude is a positive state of mind. NOT taking things for granted and keeping a thankful and optimistic attitude is a more loving way to journey through life. Acknowledging all of the goodness around us every single day... makes for a more fulfilling and enjoyable time on this wonderful earth.

The story behind the Kitchen Boa®

The innovative Kitchen Boa wearable towel is a tool no hostess should be without.

For Laura Laiben, founder of The Culinary Center of Kansas City™, cooking is about so much more than making meals—it's about the magic that happens around the table. So Laura is always on the lookout for kitchen tools that are convenient and efficient, anything to make her job as the chef easier so she can enjoy the experience. The Kitchen Boa is a brainchild of that philosophy. With the dish towel tucked neatly around the neck, instead of precariously tossed over the shoulder, this all-important kitchen tool is handy, clean and worry-free.

Laura Laiben

Laura grew up in a small German community in Missouri where her passion for the culinary arts began at a young age while making pastry dough with her grandmother. She opened The Culinary Center of Kansas City in 1998 with a passion for social entrepreneurship, commitment to community and the philosophy that “if you do good, then you’ll do good.”

The Culinary Center of Kansas City is a unique venue in the Midwest dedicated to the education, cultivation and appreciation of food, wine and culinary tradition. With two teaching kitchens and an event space, the center invites culinarians of all skill levels to join cooking classes, as well as offering private events and catering. Experienced instructors strive to de-mystify the art of cooking in a comfortable and non-threatening environment.

1002720424 Kindness Manifesto Wall Art
 Hanger style: keyhole.
Kindness changes everything I believe... kindness changes everything, like in a break your heart joyful way. I believe... when we extend our hearts toward those in need, we also heal something important within ourselves. I believe... that hope matters, that we can inspire change by radiating joy, love, and compassion to everyone we encounter. I believe... in hugs, spontaneous compliments, and smiling at strangers. These small acts matter deeply. I believe... celebrating others, encouraging their success, and lifting them up along the way is essential to our collective wellbeing. I believe... living a life of gratitude is one of the kindest gifts we can give to the world. I believe... in listening to the wise voice of my heart and doing the right thing—even when it's scary. And you are not alone."

1002720331 Soul Care Manifesto Wall Art
Hanger style: keyhole.

Soul Care I believe soul care means silencing the noise, hearing the whispers of my own soul, tending to my body with care, and nourishing the inner landscape of my heart. I promise...to acknowledge the wisdom that resides within, honoring my highest wisest self with kindness, integrity, and trust. I promise...to honor the divinity and gift of my body & treat it kindly with compassion. I promise...to devote time & energy to my soul work: forgiveness, gratitude, healing, and learning to love & own my story. I will...surrender what no longer serves me and pursue only what delights my spirit & brings joy. And finally...I will breathe in the divinity of everything with a sense of awakening and trust.

May this home... tenderly hold our times of change and transition while we find our way toward courage and hope. May this home... be filled with mementos and beauty-full treasures that speak directly to our hearts. May this home... be a safe harbor where we can be who we are, where we are welcomed with kindness and open arms. May this home... allow for the unfolding and celebration of years passed, memories made, joy unleashed, and stories born.

BLOOD:WATER

Community Involvement & Charitable Giving

At DEMDACO, our purpose is very simple: to pursue business the way it ought to be. We realize that this compass setting requires constant evaluation and calibration and we realize that we fall short of our goal every day. But we're committed to the notion that business does not have to be solely a financial endeavor. It is first, and foremost, a human endeavor. Community involvement is one way we seek to lift the spirit of our customers, colleagues and our communities.

Each employee gets two paid days off to volunteer at the organization of their choice - whether their child's school, local organization or helping a friend in need. DEMDACO also offers opportunities to volunteer as a group with organizations such as Heart to Heart International building hygiene kits for communities, or volunteering at Children's Mercy Hospital.

General Information

Product & Pricing Information

Products displayed in this catalog are available in select DEMDACO stores and galleries. In some cases, merchandise displayed for sale in this catalog may no longer be available. We make all reasonable efforts to provide information in this catalog that is accurate and complete; however, there may be information about products, their availability, or their prices that may be inaccurate or incomplete. We reserve the right to correct any such information without prior notice (including after you have submitted your order). The prices displayed in this catalog are quoted in U.S. Dollars and are valid and effective only in the United States.

Product Availability

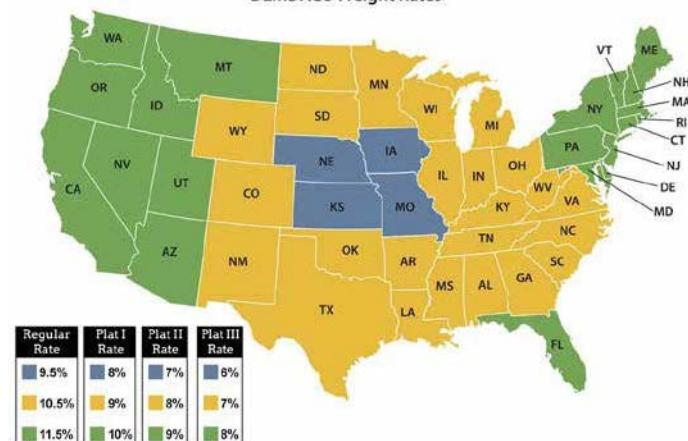

Merchandise availability in our catalog is not guaranteed as it may be low in stock. If merchandise is not available by the time your order processes, we will notify you of this via e-mail. You can always verify availability by calling Customer Service at 888.336.3226. You can sign up to receive a shipping confirmation e-mail once your items have shipped.

Shipping Information

Shipping typically occurs within 72 hours of order placement, however, please allow up to 2 weeks for delivery. Unfortunately, we do not ship internationally at this time. Delivery is limited to the 50 United States and we cannot ship to APO or FPO addresses at this time. When shipping to Alaska or Hawaii, additional shipping charges will apply. Shipping cost is based off order dollar total for standard products. A \$300 order shipping to Montana, for example, will be billed at 11.5% of the order total for Regular Rate customers (\$34.50 freight cost), 10% for Platinum Level I customers (\$30 freight cost), 9% Platinum Level II customers (\$27 freight cost), and 8% for Platinum Level III customers (\$24 freight cost). Shipping cost is calculated after order is complete and will appear on your delivery invoice.

Please note, freight on Margin Builders or other discounted items are billed at the non-discounted list price. Items such as free displays incur a freight charge based on the list price of the display. Similarly, freight is charged based on the pre-discounted price for customers who are receiving a discount on their order.

DEMDACO Freight Rates

*DEMDACO reserves the right to update or modify these terms, conditions, and shipping rates at any time without prior notice.

Freight Truck

Certain instances may occur where shipment (due to item weight or dimensions) would require delivery services via Freight Truck. The Ground shipping rate schedule above will have an additional handling fee of \$100 that will be applied to your order in these circumstances (example: order total = \$400 + \$32.95 Ground Shipping + \$100 Freight handling fee = \$532.95). All freight truck products in this catalog have a special shipping charges icon (shown above) that appears with the product information in this catalog.
